

X AAAML International Congress
Oppositions and Other Crucial Remedies in EU and Latin American Countries

Date

23.03.2011

Location

Rome, Italy

Working language

English.

Description

This Congress will provide participants with an overview of general and specific aspects relating to opposition proceedings in Italy as well as in other EU and Latin American countries. It will also provide an overview of the most relevant case law. The Congress will focus on procedural aspects and trade mark protection strategies, as well as on issues related to the drafting and negotiation of contractual clauses allowing the licensee to enforce trade mark rights. The Congress will also analyze legal pre-filing activities in order to minimize the risk of infringement. Specific tools will be addressed to enable attendees to apply critical strategies in order to arrange profitable agreements between the parties involved in opposition procedures.

Target groups

The Congress is aimed at IP professionals and Lawyers interested in improving their knowledge and practical experience on the matter.
